Movement Therapy News

If you would like any information on our Special Needs programs at Club Aviva, we now have a separate brochure available at the office with information on the types of programs and prices.

We would like to take this opportunity to wish Mateusz Sitkowski the best in his future endeavors. Mat has been involved with Movement Therapy over the past year but has recently decided to leave our program for personal reasons.

Megan Conway will be joining the movement therapy program. Megan brings 18 years of coaching experience with her to the program and has been coaching both competitive and recreational gymnastics at Club Aviva since July 2007.

*** Once again we will be offering our movement therapy summer camps. Last year was a huge success and we are excited to continue the program this year. Look for our flyer in mid March.
