Summer Information

We are currently nearing the end of Week 2 in our summer camps. The camps have been a real success so far, and the kids are having tons of fun! Our first week's theme was carnival week, and the second week's theme was sports week. The students have enjoyed many activities including fort building, water balloon fights, playing on the Helix slide, scavenger hunts, a Sports Day, a parade, and of course gymnastics! They've also done tons of cool crafts including making their own visor hats, balls and frisbees, and masks .

We are still accepting registration for our upcoming summer camps! Visit us at the office today!

Summer classes started on July 8th, and will continue every week until the end of August.

We will be accepting registration up until the end of July for classes that are not full.

Fall Registration

Fall registration is well underway. Remember to sign up over the summer to make sure you get the class times you want! Classes are beginning to fill up. Avoid the fall rush!!

Movement Therapy News

Our first two weeks of Special Ed Camp has gone very well! The students have been enjoying a variety of activities, including gymnastics and trampoline time, fun on the Helix slide, crafts, quiet activities, and the most popular: bike riding!

We would like to welcome the new students who are attending our Special Ed camps for this first time this year!

You can still sign up for Movement Therapy camps that are coming up. For more information, or to register, visit us at the office!

We would like to thank the CKNW Orphan's Fund that has sponsored Movement Therapy summer camp students by donating grants to the families. 16 students who applied for a grant are receiving \$250 to use towards camp.

Thank you to Festival Coquitlam for letting the summer camps use the Helix Slide. The slide has been a big hit and provided lots of fun for all of our summer camp students!
